## What does REACH Upholstery PDS do?

---

Manually making the patterns for upholstery is a cumbersome, laborious and error prone process.

Any error in upholstery patterns will lead to significant waste of time and resources in downstream processes in upholstery creation process.

In a competitive upholstery market, the ability to develop new upholstery products and get these to customers at the right time is critical to survive, grow and thrive.

REACH Upholstery PDS enables teams across design, prototyping, manufacturing and marketing in upholstery creation to collaborate easily to ensure that accurate upholstery patterns are made easily and fast.
