

REACH Bags Studio

Best In Class
3D Product Visualization and
Digital Prototyping Software
for the Bags Sector

Benefits of **REACH** Bags Studio include

- **Compress Product Development Time**

Drive down product development time using intuitive tools to create 3D Digital Prototypes of bags saving over 80 % time compared to physical prototypes.

- **Save Resources**

Eliminate or minimize physical prototypes by creating realistic, life like 3D Digital Prototypes of bags saving material resources.

- **Collaborate Easily**

Share the 3D Digital Products of bags with team members, customers, suppliers and partners, as required, easily and fast to arrive at decisions faster.

- **Easier Project Management**

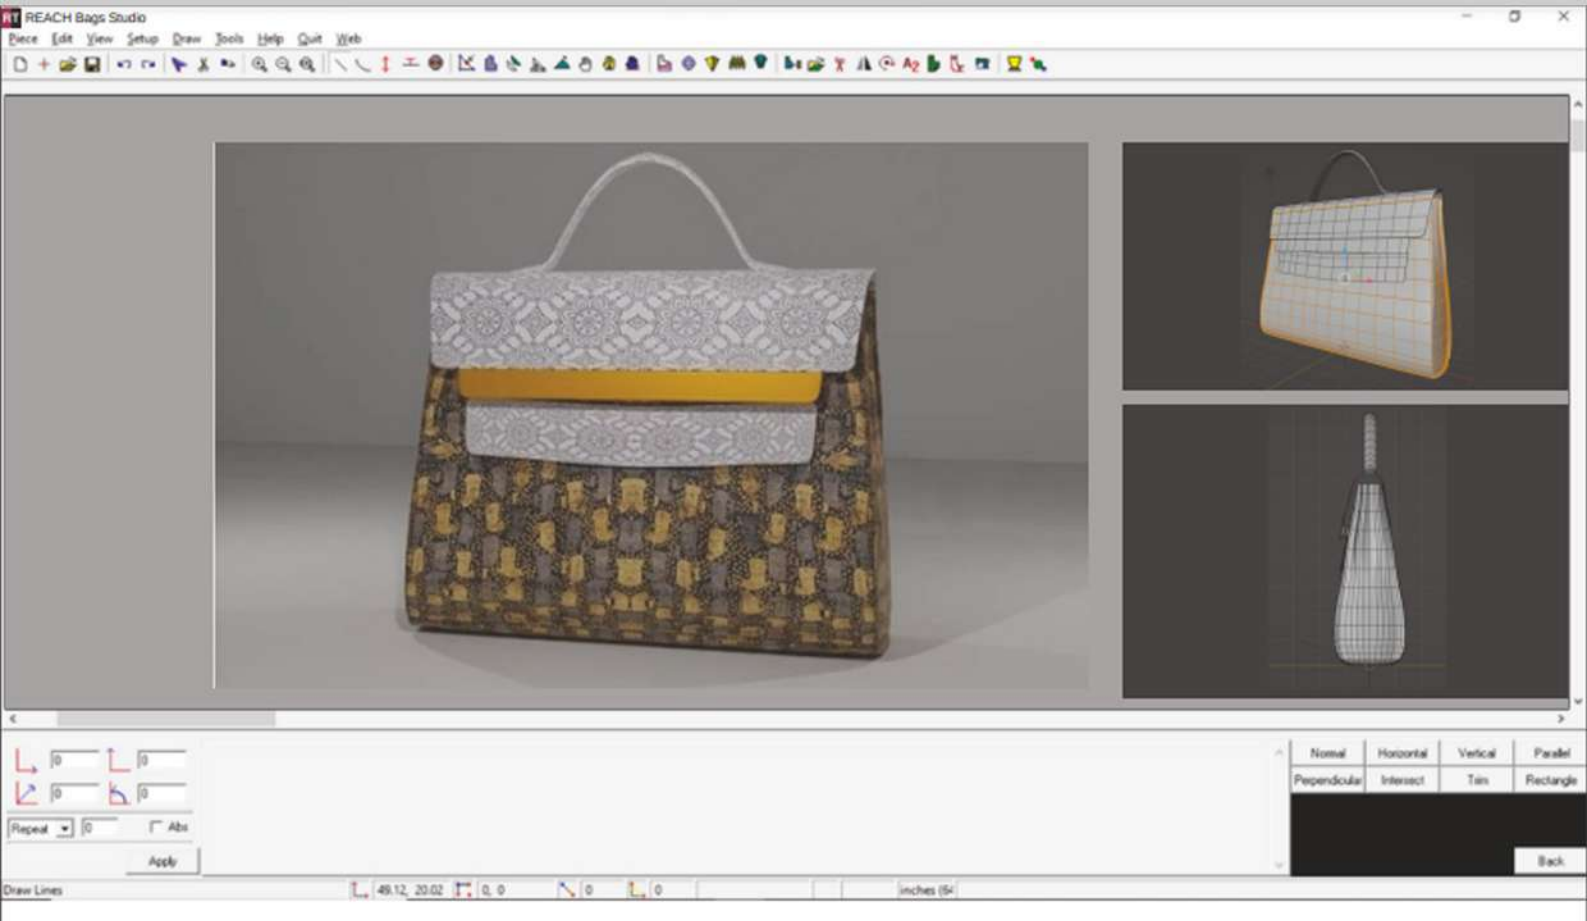

Manage various projects easily by having all details of 3D Digital Products of different orders for bags easily available for ready reference at any time.

- **Accelerate Business Velocity**

Rev up your business engine and accelerate your business in the digital economy by combining easy collaboration, effective project management and by eliminating errors.

- **Build a Strategic Competitive Advantage**

Returns On Investment is a function of Business Velocity and Margins. REACH Bags Studio enables higher Margins while accelerating your Business Velocity and can help you build a long term, sustainable competitive advantage.
