Intelligent Solutions for Furnishings Sector

REACH ELEGANZA

- *Save Time*
- *Eliminate Errors*
- *Collaborate Easily*
- *Easier Project Management.*
- *Accelerate Business Velocity*
- *Build a Strategic Competitive Advantage*

What does REACH Eleganza do?

Manually making the patterns for Furnishings is a cumbersome, laborious and error prone process.

Any error in furnishings patterns will lead to significant waste of time and resources in downstream processes in Furnishings creation process.

In a competitive furnishings market, the ability to develop new furnishings products and get these to customers at the right time is critical to survive, grow and thrive.

REACH Eleganza enables teams across design, prototyping, manufacturing and marketing in furnishings creation to collaborate easily to ensure that accurate furnishings patterns are made easily and fast.

REACH Eleganza for Students

- If you are a student, getting trained on REACH Eleganza will enhance your employability and enable you access to opportunities in the digital home furnishings value chain.
- Online and Onsite Training Programmes on REACH Eleganza are available through a range of institutions including universities, polytechnics, technical schools and skill training centres. If you would like to get trained on REACH Eleganza, please write to us at info@reach-tech.com or message us through the contact form.
- Students are eligible for special prices on REACH Eleganza. We also offer e-learning content and study books on how to use REACH Eleganza to create patterns, grade these and develop high efficiency markers.
