Benefits of REACH BAGS PDS

- Save Material - Drive down costs by benefiting from the most advanced algorithms leveraging Artificial Intelligence to develop optimal nested layouts for home furnishings.
- Save Time - Save time by automating the nesting process. Let the algorithms work overnight, even when no one is around, and have the nested layouts of home furnishings ready in the morning.
- Collaborate Easily - Share the nested layouts of home furnishings with team members, customers, suppliers and partners, as required, easily and fast to arrive at decisions faster.
- Easier Project Management - Manage various projects easily by having all details of nested layouts of various orders for home furnishings easily available for ready reference at any time.
- Accelerate Business Velocity - Rev up your business engine and accelerate your business in the digital economy by combining easy collaboration, effective project management and by eliminating errors.
- Build a Strategic Competitive Advantage - Returns On Investment is a function of Business Velocity and Margins. REACH Sophis enables higher Margins while accelerating your Business Velocity and can help you build a long term, sustainable competitive advantage.

REACH ELEGANZA

For Academic Institutions

Pattern Design Software for Furnishings

Industry 4.0 Artificial Intelligence Machine Learning Analytics

Intelligent Solutions for Furnishings Sector

What does REACH Eleganza do?

Manually making the patterns for Furnishings is a cumbersome, laborious and error prone process.

Any error in furnishings patterns will lead to significant waste of time and resources in downstream processes in Furnishings creation process.

In a competitive furnishings market, the ability to develop new furnishings products and get these to customers at the right time is critical to survive, grow and thrive.

REACH Eleganza enables teams across design, prototyping, manufacturing and marketing in furnishings creation to collaborate easily to ensure that accurate furnishings patterns are made easily and fast.

REACH ELEGANZA

- *Save Time*
- *Eliminate Errors*
- *Collaborate Easily*

- *Easier Project Management.*
- *Accelerate Business Velocity*
- *Build a Strategic Competitive Advantage*

REACH Eleganza for Academic Institutions

- If you are a university or an academic institution that offers training in the home furnishings sector, integrating REACH Eleganza into your curriculum will enable your students to learn industry practices better. It will also enable your faculty members to teach more.
- Special prices are available to universities and training centres. Please write to us at info@reach-tech.com or message us through the contact form to initiate a conversation.
- Our domain experts will work with you to integrate REACH Eleganza into your curriculum, create session plans, assessment plans and the best ways to leverage e-learning content on REACH Eleganza. We also conduct Training Of Trainers (TOT) to upgrade the technical skills of faculty members
