

## VERTICAL INKJET CUTTER PLOTTER

---

**MVP Series**

Model No. 1271

Cost effective vertical cutter plotters revolutionizing the cutting process with high-performance capabilities.

Unparalleled versatility with vertical cutter plotters for professional-grade results.

Efficient vertical cutter plotters optimizing cutting tasks and saving valuable time.

Affordable vertical cutter plotters unlocking a world of possibilities with exceptional accuracy and reliability.

Innovative vertical cutter plotters seamlessly integrating technology and craftsmanship for outstanding results.

<b>Plotting Width</b>	1000 mm
<b>Plotting Speed</b>	650 mm/s
<b>Processing Area</b>	600x900 mm
<b>Plotting Resolution</b>	150DPI-600DPI
<b>Max Paper Feed Width</b>	1500 mm
<b>Max Cutting Feed Width</b>	900 mm
<b>Print Media</b>	Drawing 40-300g, cut 80-300g
<b>Voltage Requirement</b>	AC90-260V/50-60Hz
<b>Dimensions</b>	1300*200*400 mm
<b>File Format</b>	.dxf, .png, .jpg, .psd, .cdr
<b>Plotting Precision Tolerance</b>	0.01 mm
<b>Pc Interface</b>	USB
<b>Noise Level</b>	<39db
<b>Power</b>	60 W
<b>Voltage</b>	AC220V/110V,50Hz
<b>Operating Temperature</b>	5°C - 35°C
<b>Weight</b>	45 KG
